Subject: Approval of Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, Nelco Contractors, Inc., Colton Limestone Mine, M/049/0079, Utah County, Utah

Dear Mr. Jensen:

The Division of Oil, Gas and Mining approves the referenced Notice of Intention to Commence Large Mining Operations (Notice) and the associated reclamation surety. The permitted disturbed area is 29 acres. The reclamation surety will be reviewed periodically to assure that the bond remains adequate.

The approval or acceptance of a complete notice of intention does not relieve an operator from its responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Enclosed are copies of the signed and executed reclamation contract and surety bond forms for your files. Also enclosed is a copy of the "approved" Notice for your files. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at [www.dogm.utah.gov](http://www.dogm.utah.gov).

All future correspondence should reference M/049/0079. Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Dana Dean, P. E.  
Associate Director of Mining
